

A LEGACY OF EXCELLENCE UNDERFOOT

For over 50 years, National Carpets & Curtains has been Zimbabwe's premier destination for luxury flooring and textiles. We believe quality is an investment that pays dividends in comfort and durability—a standard we've upheld since our journey began.

As the sole agents for Belgotex in Zimbabwe, we bring world-class design and innovative manufacturing directly to you. Our reputation is built on both premium products and the precision of our installations. Our expert fitting teams ensure every project, from residential rooms to multi-story commercial developments, is completed with the speed and quality that has become our hallmark. With five decades of experience and a massive local inventory, we remain dedicated to transforming Zimbabwean spaces one floor at a time.

B.

A PARTNERSHIP BUILT ON EXCELLENCE

National Carpets & Curtains is proud to be the exclusive importer of Belgotex in Zimbabwe. This partnership brings Africa's leading carpet and artificial grass manufacturer directly to the Zimbabwean market. Belgotex designs, manufactures, and delivers quality floors that endure the speed of life. As soft flooring specialists in high-quality broadloom and modular carpets, they offer custom solutions for the commercial market alongside an extensive product portfolio that includes luxury and specialist vinyls.

Needlepunch

Belgotex pioneered the first structured needlepunch range, solving the need for performance and price. Their Berber Point range set the industry standard for rugged, high-traffic durability.

Stainproof

The development of Stainproof Miracle Fibre™ and SDX™ revolutionized yarn production, offering bleach-cleanable, colorfast carpets that resist fading even in heavy commercial use.

Turf

Engineered for high UV resistance, Belgotex Grass provides natural-looking landscaping, while their Sports division delivers world-class, internationally certified systems for professional athletic surfaces.

Industry Qualifications

Belgotex is committed to industry development and social empowerment, recognizing the vital role artisans play in the economy. By providing professional training and qualifications, they ensure quality installations while creating meaningful work opportunities and uplifting the local flooring sector.

Custom Design

Through advanced pattern-tufting technology, Belgotex enables designers to create bespoke Custom Broadloom from any image or swatch, offering luxury previously only possible through weaving.
